

KNOX SPEAKS IN  
DEFENSE OF TAFTSECRETARY OF STATE IS TAKING  
PART IN CALIFORNIA CAM-  
PAIGN.Referred to Roosevelt as Man  
Prompted by Whims and Ready to  
Sacrifice Party or Friend to Aid  
Own Ambitions — Emphasized  
Good of Present Administration.Los Angeles, May 9.—In a speech  
to night before the Southern  
California Taft association, Secretary  
of State Knox vigorously interjected  
himself into the California presiden-  
tial primary campaign.This was Mr. Knox's first utterance  
of a political nature since his return  
from Central America. He took up  
the cudgels strongly for President  
Taft, defending him from the criti-  
cisms of Col. Roosevelt, whom he  
reathingly attacked as a man  
"prompted by whims," of "impious  
ambitions, vanities and mysterious  
antipathies" and as one "who would  
break the rule of his party and his  
country and his own solemn word to  
gain the seat of a friend.""The new nationalism," of Col.  
Roosevelt was termed by Secretary  
Knox "as violent an assault upon  
the autonomy of the states as the  
new nationalism of 1861 was upon  
the integrity of the union."In refutation of Col. Roosevelt's  
claim that Mr. Taft was unfit for re-  
election to the presidency, Mr. Knox  
cited the colonel's language in 1908  
in commanding Taft as the "true  
friend of reform, the true for of  
abuses."

Bosses "Then and Now."

Referring to Col. Roosevelt's  
charge that the president was seek-  
ing the support of "bosses," Mr.  
Knox said:"President Taft can reply that Mr.  
Roosevelt sought and had their sup-  
port in his campaign in 1908, and  
that in many places now his inter-  
ests are in the hands of rejected and  
disaffected political bosses who, po-  
litical offenses small to high heaven."Mr. Knox discussed at length the  
record of the Republican party and  
reviewed exhaustively the achieve-  
ments of President Taft's adminis-  
tration. Of reciprocity between  
Canada and the United States he  
said that "effort to restrain, hamper  
and interfere with its realization will  
be as futile and as unprofitable as  
were the early ruinous wars between  
the states.""This," said Mr. Knox, "is per-  
haps one of the most extraordinary  
anti-convention campaigns within  
the history of our party. The effort  
so far has been to confuse the situation  
by dragging in issues with which  
the states alone are concerned."Mr. Knox then proceeded to sum-  
marize and compare the claims to re-  
form achievements of Col. Roosevelt  
and President Taft, asserting that the  
president's accomplishments far out-  
weigh those of his predecessor.No Real Reason for Change.  
"If Mr. Roosevelt claims that he  
is not in favor of reciprocity with  
Canada, President Taft can point to  
the fact that, before entering into  
that great agreement, he consulted  
Mr. Roosevelt and obtained his  
hearty and unqualified approval of it."Mr. Knox quoted an eulogy of Mr.  
Taft by Col. Roosevelt in 1908 as an  
answer to the colonel's assertion  
"that President Taft is unfit to suc-  
ceed himself." He also cited pass-  
ages of praise of Mr. Taft in Mr.  
Roosevelt's speech as temporary  
chairman of the Saratoga convention  
in 1910."Mr. Roosevelt," the speaker con-  
tinued, "has given no coherent reason  
for changing his just appraise-  
ment of Mr. Taft's character and  
qualifications.""If Mr. Roosevelt claims that  
President Taft's actions have been  
inconsistent with his declarations in  
1908, President Taft can point among  
other examples to the following declara-  
tions by Mr. Roosevelt:"Nov. 8, 1904—"Under no circum-  
stances will I be a candidate for or  
accept another nomination.""Dec. 11, 1907—"I have not chang-  
ed and shall not change that decision  
unless it is announced.""Feb. 25, 1912—"I will accept the  
nomination for president, if it is  
offered me."

The New Nationalism.

The most conspicuous point of dif-  
ference between Taft and Roosevelt  
Mr. Knox asserted, centered in the  
"new nationalism" proposed by Col.  
Roosevelt."This involves," he said, "a new  
concept by Mr. Roosevelt of the  
cohesive principles by which the  
states are bound together to con-  
stitute the United States of Amer-  
ica.""We heard much of a new nation-  
alism prior to 1861. It was also  
predicted upon a false conception of  
the nature of the union. Its funda-  
mental weakness was that some  
states claimed the right to destroy  
the union by separating themselves  
from the union. That issue was de-  
cided by the most tragic war of mod-  
ern times—a war that carried grief  
into a million American homes.""The new nationalism of Mr.  
Roosevelt represents the other ex-  
treme. It is as violent an assault upon  
the autonomy of the states as the  
new nationalism of 1861 was upon  
the integrity of the union.""Who dares prophecy that the  
people—the patient, undemonstra-  
tive people whose full voice is never  
heard except in great crises—will  
not, when aroused to the danger of  
the substantial loss of independent  
statehood at as great a cost, defend  
the states as they did the union?"HARMON DENIES  
BRYAN CHARGESDID NOT TRY TO BUY BRYAN  
PLEDGED DELEGATES IN 1908.Denial of Ohio Executive Brought  
From Bryan Publication of Letter  
on Which He Says Charges Were  
Publicly Based—Made Harvey  
Garber.Columbus, May 9.—Charges from  
William J. Bryan, friends of Gov-  
ernor Harmon had sought to pur-  
chase Bryan-plotted delegates to the  
1908 convention stirred the Ohio  
executive to a telegraphic denial to-  
day and brought from Mr. Bryan the  
publication of the letter on which  
he says the charges were based.The letter was made public here  
by Harvey Garber, who said it was  
addressed to State Senator Frank T.  
Dore of Tiffin.It was signed Michael Devaney of  
Cincinnati, and was in part: "Cincin-  
nati, O., June 29, 1908.

Dear Sir:

"In a conference with our mutual  
friend, Mr. ——, of ——, he advised  
me you were in touch with the two  
delegates from the —— district. He  
advised that you see Mr. —— of ——  
and have him see the delegate of  
that place whose name he did not  
remember and have him together with  
Mr. —— of —— meet Mr. —— at  
Columbus on the evening of July 2,  
so that arrangements may be  
made for the trip to Denver.""Mr. —— of Cincinnati will meet  
them and take care of their trans-  
portation to Denver.""By this letter, my dear Mr. ——,  
you will see there is 'something do-  
ing,' and that endorsements have  
been given in your district, I hope  
that your two delegates can see their  
way clear to vote for Judge Harmon  
on the first ballot at Denver."Mr. Garber is a member of the  
Democratic National committee. He  
declined to make known the names of  
those involved in the letter.

Denial by Devaney.

Cincinnati, O., May 9.—Michael  
Devaney, campaign manager for  
Governor Harmon, made an emphatic  
denial tonight of the charges brought  
against him in the letter produced  
yesterday by William J. Bryan.Mr. Devaney did not deny writing  
the letter but said:"When Mr. Bryan says that I at-  
tempted to purchase delegates in  
Ohio for Governor Harmon, he is tell-  
ing a plain lie. Never directly or in-  
directly was there any attempt made  
by me to purchase delegates for any-  
one."

Hold Up Appropriation Bills.

The action of Bryan and his fol-  
lowers in refusing to vote on the ap-  
propriation nullified the work of a  
committee which had been made to  
get a two-thirds membership of the  
house present to pass the appropri-  
ation bills, including those for  
repairing the storm damaged capitol  
building and at the state fair  
grounds more than a year ago.

sponsors of the bill their first notice

lines of the Woodmen were working  
against it. It is said that some of the  
largest fraternal insurance soci-  
eties in the country now are fight-  
ing the Woodmen rate war.

Bitter Feeling Among Foreign  
Speaking Miners at Mincerville.Philadelphia, May 9.—The feeling  
of bitterness engendered among the  
foreign speaking miners of Minerva-  
ville, when three of their country-  
men were shot by the state police  
during a riot, was further intensified  
late to day when Michael Mullane,  
a member of the trio, died.That trouble is brewing is appar-  
ent from the number of fire arms  
being purchased by naturalized for-  
eigners. Several dealers in Minerva-  
ville have practically sold out, and  
there is also a big demand for fire  
arms at Pottsville.Captain Wilhelm, of the state police,  
says there is no way to stop the  
sale unless martial law is declared,  
and the situation does not warrant  
such a step at present.Officers of the state police fear an  
attempt may be made to lead their  
men into an ambuscade along some  
of the mountain roads. They believe  
the naturalized foreigners are dis-  
tributing fire arms to their country-  
men with this object in view.There was no serious rioting in  
the coal field to day. Some women  
and boys marched to two washeries  
with the intention of driving the em-  
ployees from their work, but were  
persuaded by union officials to return  
to their homes.

AUTOMOBILE ACCIDENT

F. J. Bergs of St. Louis Killed and  
Two Young Ladies Probably Fa-  
tally Injured.St. Louis, May 9.—Frank J. Bergs,  
vice-president and general manager  
of a local coal company, was killed  
and Miss Virginia Johnson, 12 years  
old, of Memphis, Tenn., and Miss  
Grace M. Bell of this city were prob-  
ably fatally injured this afternoon  
when an automobile Bergs was driv-  
ing was struck by Missouri Pacific  
engine at Barretts Station, St. Louis  
county. Mrs. H. P. Johnson, mother  
of Virginia, was severely bruised, but  
her condition is not serious.Mrs. Johnson, according to her  
physician, suffered a serious fracture  
of the skull which will probably  
cause her death.Miss Bell suffered a badly frac-  
tured arm and a fractured jaw and  
was in a serious condition tonight.Bergs was a brother-in-law of Mrs.  
Johnson and had been entertaining  
her, her sister, Miss Bell and her  
daughter, Virginia, at a country club.  
They were returning home at the  
time of the accident.

TOOK STAND IN DEFENSE.

Mrs. Alma James, Charged with Mur-  
der of Husband, Tells Life Story.St. Louis, May 9.—Mrs. Alma  
Palmer James, charged with mur-  
dering her husband, Leo James, April  
28, 1911, as he lay asleep, was placed  
on the stand in her own defense  
this afternoon.She said she came to St. Louis in  
1907 and met James about four  
months later.Mrs. James collapsed after a two  
hour examination during which she  
recited the story of her life from  
the time she came to St. Louis until  
the night of the shooting.She said James threatened to  
shoot her if she refused to marry  
him. Mrs. James testified that her  
husband once kicked and struck her  
when she refused to submit to an  
operation.

COUNT METTERICK RETIRES.

Berlin, May 9.—The retirement  
of Count Paul Wolff-Metternich  
from the post of German ambassador  
to London is announced to day.The name of Baron Marshall Von  
Bieberstein, at present German ambas-  
sador at Constantinople and Ger-  
many's foremost diplomat, has been  
submitted to the British government  
as his successor.

YOUNG GIRL SUICIDES.

Cumberland, Iowa, May 9.—Miss  
Alvina Behnkes, 17 years old, com-  
mitted suicide at her home near  
here to day by hanging. No rea-  
son for her act is known.

Plants for Second Term.

Mr. Knox made an earnest plea  
to the Illinois State's Attorney to  
accept his second term."This has been," he said, "the Re-  
publican rule, without exception except  
the one (President Hayes), which so  
forcefully emphasized the rule, and unless  
the rule now by refusing a re-  
nomination to the man who has the  
proud distinction of having received  
more votes than were ever cast by  
the American people for any other  
candidate for president."On the other hand, you have one  
who has served two terms as pres-  
ident who would break the rule of  
his party and his country and his  
own solemn word to gain the seat of

angle of the Woodmen rate war was  
tossed out for the benefit of the  
legislators. The unfavorable report  
came as a surprise to the sponsors of

present session of congress were  
adopted by the house to day in the  
legislative, executive and judicial  
appropriation bill. The measure will  
be voted on and probably passed  
formally to morrow. The bill now  
proposes:Abolition of the United States  
commerce court and the restoration  
to the interstate commerce commis-  
sion of all railroad regulatory power,  
subject to appeal only to the United  
States district courts. Creation of a  
bureau of foreign and domestic  
commerce with all the present powers  
of the so-called tariff board to be  
under the jurisdiction of the secretary  
of commerce and labor. The new  
bureau would absorb the bureau

VILLAGE BOARD MET.

Will Lay Sidewalks on Both Sides of South Main Street.

The regular meeting of the village board of South Jacksonville was held Wednesday evening, with all members present. The ordinance committee was ordered to prepare an ordinance for a sidewalk on South Main street on the west side from Michigan avenue to Waverly avenue, and also one on the east side of South Main street from Michigan avenue up to and including the Maple Grove school house grounds.

The light committee reported that they were unable to get lights on account of the Jacksonville Railway and Light company claiming that they had not received the material with which to do the work. Other business of a routine character was transacted before adjournment.

## GAVE PLEASING THREE ACT COMEDY

Delightful Entertainment Given by Luther-Walther Circle.

The members of the Luther-Walther Circle of the Salem Evangelical Lutheran church, gave a very delightful entertainment at the school house on East College street Thursday evening entitled "Mrs. Briggs of the Poultry Yard."

The play was a comedy in three acts, the scene of which was laid in the living room in Mrs. Briggs cottage. All of the characters were presented in an admirable manner and were thoroughly appreciated by the large audience. The three musical numbers on the program, given by Miss Laura J. Brune and Prof. K. J. Bruening and the kitchen concert by Silas Green's orchestra, were given hearty applause. The proceeds of the play will be added to the new church fund being raised by the circle. The play will be repeated to night.

The cast of characters and the program of musical numbers follow:

Mrs. Briggs, a woman of business—Pauline Toussaint.

Ralph, Jimmy, Alvira, Melissa, her family—Herman Brune, Edward Graubner, Anna Wiegand, Martha Lindeman.

Silas Green, "a near relation"—Edward Wiegand.

Mr. Lee, a wealthy neighbor—William Graubner.

Virginia Lee, his daughter—Anna Ottewell.

Daisy Thornton, her friend—Helen Osterholdt.

Mrs. O'Connor, with no liking for golf—Mabel Pechelofel.

Mandy Bates, whose tongue will stumble—Anne Littleg.

Musical Numbers.

Piano duet, Muenchener Lust, Ouv., C. C. Closner—Laura Brune and K. J. Bruening.

Vocal, An Open Secret, Woodman; A Little Way, Harris—K. J. Bruening.

Kitchen concert—Silas Green's orchestra.

## CARTHAGE FOE IN DUAL TRACK MEET

Carthage college and Illinois college will participate in a track meet this afternoon on Illinois college field. The events will start at 1 o'clock and it is expected to get through in time to let the Carthage men catch the 5:13 on the Wabash.

Little is known of the Carthage athletes, but in the past they have always had some fast men on the track, so that battle royal is anticipated. Coach Harrington is counting strong on annexing the meet.

Buchelt, who is said to win the high and low hurdles, the pole vault and running broad jump, had a slight accident on the track Wednesday, but was able to be out again yesterday and feels that he can be counted on to do his part.

Barry, who came to Illinois college this year from the Beardstown high school, is a wonder with the hammer and it is expected that he will break the college record of 110 feet.

He is also expected to place in the discus throw and shot put, with Prins, another good man. Siekkin, of last year's team will run the 100 yard and 440 yard dashes.

Jaccard, a new man will be in the 100 and 220 yard dashes, while Alford, who won the 440 yard dash and took second place in the 220-yard dash at Illinois Valley meet in Griggsville, two weeks ago, will perhaps be a dark horse of the meet.

Smith, who ran the mile in his Freshman year, but has been out for two years will run the event to day. His record is 4:56. The questions is "can he come back?" He will also run the half-mile, as will Stark, who ought to make good.

Coach Harmon will act as referee and Baird of Carthage will be one of the judges. George O'rear will be the starter and William Kirby, Epler and Carp will be the timers and Brewer of the Y. M. C. A. and Prof. Ames the other judges.

Illinois College Records.

The following are the records of Illinois college:

100-yard dash—Norman Triplett, class '89—10 seconds.

220-yard dash—Byron C. Darling, '98—21 1/2 seconds.

440-yard dash—George J. O'rear, ex '07—50 seconds.

880-yard run—C. A. Carrel, '06

2 minutes, 2 3/5 seconds.

Mile run—Sylvester J. Carter, '05

4 minutes, 41 4/5 seconds.

120-yard hurdles—Lloyd L. Adams, '02—16 2/5 seconds.

220-yard hurdles—Lloyd L. Adams, '02—26 4/5 seconds.

Running broad jump—C. Justus Wright, ex '03—21 feet, 11 1/4

inches.

Running high jump—E. S. Gray, ex '08—feet, 7 1/2 inches.

Shot put—C. O. Williams, ex W. A.—34 feet, 11 inches.

Hammer throw—Roy. Hedgecock, 12—110 feet.

Discus throw—Walter Ainsworth, 12—111 feet.

# Cedar Fence Posts

Spring work on the farm will no doubt include the building of some new fence, or the repairing of old fence. Cedar Posts will help make the work permanent. We have a big stock of these posts, as well as all other building lumber.

## MATRIMONIAL RECORD

Rose-Gaither.

Charles Rose and Miss Mary Helen Gaither were married recently in Clayton, Mo. The bride is a resident of Winchester, but has made her home in this city for about two years and has won many friends by her pleasing disposition. Mr. Rose was formerly in the employ of the Jacksonville street railway as conductor. Several months ago he moved to St. Louis and is now employed as car inspector for the St. Louis Transit company. Their many friends wish them happiness and success for the future.

Mr. and Mrs. Rose will reside in St. Louis.

FOUND BODY IN DREDGE DITCH

A friend of the late Bert McEvers, who was recently drowned in the Illinois river, has sent the Journal a few facts regarding the circumstances of the drowning. The letter states that Bert and his brother, Albert McEvers, went to Winchester one day and that night started to return home alone, leaving Winchester about 10 o'clock. It is further stated in the letter that McEvers is thought to have lost his footing when getting out of his boat on the banks of the dredge ditch, and fell into the water, which was six feet deep. As he was unable to swim, his clothing dragged him to the bottom. The next day his brother, on returning to their camp, inquired after Bert, and a searching party set out for him. They found his boat where he had left it and after considerable searching found the body in the bottom of the ditch. The deceased was 31 years of age and is survived by his father, three sisters and three brothers: Mrs. Bell Stice of Winchester, Mrs. Minnie Hunday of Jacksonville, two weeks ago, will perhaps be a dark horse of the meet. Smith, who ran the mile in his Freshman year, but has been out for two years will run the event to day. His record is 4:56. The questions is "can he come back?" He will also run the half-mile, as will Stark, who ought to make good.

Coach Harmon will act as referee and Baird of Carthage will be one of the judges. George O'rear will be the starter and William Kirby, Epler and Carp will be the timers and Brewer of the Y. M. C. A. and Prof. Ames the other judges.

As announced several days since, the city council authorized Commissioner Knollenberg to advertise for bids for water-proofing the storage reservoir on Woodland Place. The plans and specification for the work were prepared by Commissioner C. W. Brown and are now on file in the office of the water superintendent. Bids are to be received until 10 o'clock Friday morning, May 17.

The reservoir has been leaking badly for several years and ineffectual attempts have been made to remedy the trouble. The past winter, however, the leak became so bad that use of the reservoir had to be abandoned. The work of putting the reservoir into proper condition has been put off from year to year on account of the large expense involved until now there is no way left but to water-proof the whole thing and put it into shape for a long period of use.

The reservoir was built in 1871 by Michael Rabitt, after the city had purchased the site from Illinois college. The land cost \$4,000. The capacity of the reservoir is 2,662,700 gallons and at the water line, which is three feet below the top, it is 187.6 feet in diameter. It was built after a plan requiring one and half feet horizontally to one foot vertically. At the bottom the reservoir is 135 feet and 7 inches in diameter. While the method of construction, that is with sloping walls, was considered best years ago, practically all large reservoirs now are built with vertical walls. The pressure against the walls is not so great with this method of construction and the same amount of construction cost will give a storage capacity one-third greater.

After the excavating and grading was done for the reservoir then the inside was faced with brick and covered with cement. With the passage of years the cement has cracked and worn off and although it has been frequently patched, now in many places the bricks show clear through.

The specifications prepared by Mr. Brown call for an entirely different type of construction, which experience has shown to be the best for such work. After the reservoir has been cleaned of water and dried all loose cement will be knocked off and the surface will be covered with five inches of concrete strengthened with a wire mesh. Over this will be spread a coating of asphalt one-eighth of an inch thick, then wool felt will be laid on. After another coating of asphalt a covering of burlap will be laid. Altogether there will be two thicknesses of felt, two of burlap and five coatings of asphalt and upon the last coating of asphalt will be laid four inches more of concrete. There will be from nine and a half to ten inches of covering and the method of construction is designed to give elasticity.

Mr. Brown would probably favor

changing the type of the reservoir

to one with vertical walls, thereby

increasing its capacity and making

it less difficult to maintain were

not that the cost would be largely

in excess of what the water-proofing

of the present reservoir will be. It

is expected that the work can be

done within two months after the

contract has been let.

Just received, 5 dozen genuine

Panamas, all sizes, usually sold for

\$10 and \$12, on sale Friday and Sat-

urday only \$1.00 and \$5.00.

**MAY BREAKFAST**

Woman's Club Will Hold Annual Meeting Saturday at Grace Church.

The Woman's club will hold its last meeting of the season Saturday morning at Grace M. E. church. Following a breakfast, the club will be entertained with a reading by Mrs. Perry C. Thompson. A business session will then be held when the reports of the different committees of the club will be heard and the annual election of officers will take place.

The past year has been a most successful one for the club. Its membership has grown and the various departments have made excellent records.

The May breakfast is an innovation in the club, as heretofore only the luncheon has been held in the fall. Both customs are now to be followed. Those who have not secured tickets for the breakfast are asked to get their tickets today at Douglas' grocery or Badger's drug store, as the committee is desirous of knowing how many persons to provide for.

Just received, 5 dozen genuine Panamas, all sizes, usually sold for \$10 and \$12, on sale Friday and Saturday only \$1.00 and \$5.00.

**TALKED ABOUT CHINESE.**

Dr. Don Nichols Heard in Splendid Address at Grace Church.

Dr. Don Nichols delivered a lecture last night at Grace M. E. church on "John Chinaman and His Characteristics" before a good sized audience, under the auspices of the Sunday school of the church.

Dr. Nichols has spent a great many years in the Chinese empire and is an authority on the manners, customs and habits of that people. The speaker's lecture was highly entertaining as he possesses an abundance of wit and humor, which intersperses his great truths, so that which he says has a wonderful educational value.

The speaker was introduced by Rev. J. O. Gary and was dressed in the full costume of a high class Chinaman. The entire address was one of the best that has ever been heard on that subject in the city. For years Dr. Nichols was a missionary in China, familiarizing himself with the language, history and customs of the people of that great empire. He is a great preacher, a great lecturer and an entertainer that has few equals.

## SCARLET FEVER AT CHAPIN

Five Cases Have Been Reported But Nothing Serious Anticipated—Schools and Churches Close.

Five cases of scarlet fever have developed at Chapin and as a result a very strict quarantine is being maintained by the authorities. Miss Anna Smith, one of the patients suffering from the disease, has been in a very serious condition, but she seemed to pass the crisis yesterday and is some better. The commencement exercises have been indefinitely postponed and all of the schools and churches have been closed.

### IN POLICE CIRCLES.

John Sallee was arrested last night by Officers Arenz and Shannon on a warrant sworn out by John Vasconcellos, manager of Cherry's Ivory, charging him with fast driving. Sallee is an employee at the Cherry barn.

### NO ONE RESPONSIBLE.

At the coroner's inquest over the remains of Stuart Cherry, who was killed Sunday night in the Alton wreck, no one was held responsible for the young man's death.

### TO START NEW WELL.

The Ohio Oil company, which has been boring on the Brown farm, near Brown's crossing, will move their rig to a point about two miles distant. They will start a hole ten inches in diameter so that a depth of over 1,000 feet can be reached if necessary.

Earl Epler attended a house party in Ashland Thursday evening.

### HIGH SCHOOL CONCERT.

The High school chorus of 300 voices will give their annual concert Friday night, May 17, in the High school auditorium. The chorus has been studying the last semester the cantata, "When Feomen Meet," which will be given that night. This is one of the newer compositions written by Louis M. Gordon and is being used by a number of High schools throughout the state this year. The Tridole Club of 33 voices will give the cantata "Garden of Flowers," by Denza. The orchestrations for both cantatas will be given by the High school orchestra. Miss Frances English will assist with several readings.

### PETITION WITHDRAWN.

In the county court Thursday the petition presented recently by George Alderson of Waverly asking that a conservator be appointed for Mrs. Emily Cox was withdrawn by the petitioner. A jury was ready to try the case before Judge Brockhouse when the withdrawal of the petition put a stop to the proceedings. The effort to have Mrs. Cox's affairs go into the hands of a conservator began recently after she had decided to renounce the will of her husband, the late William Cox, who left an estate valued at about \$120,000. W. N. Hairgrove has represented Mrs. Cox in the proceedings and Mr. Alderson's attorneys are Kirby, Wilson & Baldwin.

### DIFFERENCES STILL UNSETTLED.

The differences between union carpenters and several master builders in which a number of plasterers and brick masons are involved are still unsettled. One of the master builders stated yesterday that while it is true that several of the builders are employing union men on their work that no agreements have been signed. It is also stated that nearly all union carpenters are now at work or else have left the city and Mr. Goveia said yesterday that if he were to dismiss all the men he has who do not belong to the union that he would be practically without help. One builder also maintained yesterday that while a number of plasterers and brick masons are laying off from work on a sympathetic strike that most of the union carpenters are at work. The Journal has no wish to take any part in the wage discussion other than to print the facts from a news standpoint and hopes also that matters may soon be settled to the satisfaction of both builders and their employees.

### L. A. MORRIS IS MANAGER.

#### STAGED PLAY.

Pupils of Miss McCullough Presented College Comedy at Christian Church.

The pupils of Miss Lillian R. McCullough, assisted by Miss Frances M. Alkire and the members of the Daisy Circle of Central Christian church, gave an entertainment in the parlors of the church Thursday evening which was witnessed by a thoroughly appreciative audience.

The entertainment was a college comedy in two acts entitled "Cutey at Roseway College," the scene of the first act being laid in Nella Morley's room at Roseway and the second in the lecture room at the school. The play was staged by Miss Lillian McCullough and the work of all of the participants gave evidence of careful training and study of the various parts. The Daisy Circle class is taught by Miss Pearl Jewsbury.

The cast of characters follows: Professor Starney, president of Roseway college—Floyd Williamson. Plus Jowenska, professor of science—Ordnal Fox.

Harry Kent, messenger boy, nicknamed Cutesy—John Martin.

Charlie Powers, reporter for "Daily News"—Frank Markillie.

Duncan and Jenks, colored help at Roseway—Reed Kiel and Lloyd Sohert.

Miss Jane Turner, dean of Roseway college—Miss Alkire.

Miss Summers, assistant dean—Lillian Carter.

Mrs. Van Lesse, a wealthy patron of Roseway college—Pearl Jewsbury.

### MEREDOSIA LADY DIES SUDDENLY

Mrs. Frances R. Lake Succumbs to Organic Heart Disease—Was Highly Esteemed Resident of County.

Mrs. Frances R. Lake, a highly respected resident of Morgan county, died suddenly early Thursday morning at her home in Meredosia, from organic disease of the heart, with which she had been afflicted for the past two years. She, however, had not been confined to her bed and on Wednesday was about her home as usual.

Mrs. Lake suddenly became ill about 1 o'clock and called for help to her neighbor, Charles O. Summers, who lives next door. Mr. Summers and his mother went to her aid and found that she seemed to be in considerable pain. Dr. F. A. Neville was called, but before he could arrive Mrs. Lake had passed away.

Coroner Skinner went to Meredosia Thursday afternoon and held an inquest with the following as jurors: N. S. Bushnell, Charles Hansen, Samuel Dunn, Charles Rewitz, William Summers and W. J. Hale. The verdict was that Mrs. Lake came to her death by organic disease of the heart.

Deceased was born in Waverly Sept. 23, 1842, and was a daughter of Mr. and Mrs. Peter Cartwright Arnett. She was twice married, her second husband having died about six years ago. She is survived by two sons, Albert Farrow of this city and Harry L. Lake of Meredosia. Mrs. Lake was a faithful member of the Methodist Episcopal church and belonged also to the Order of Eastern Star, Royal Neighbors and Rebekahs. She was a woman of splendid character and there are many who will learn of her death with much regret.

The funeral will be held at 2:30 o'clock Saturday afternoon from the M. E. church in Meredosia, in charge of Rev. Peter Kittle. The services at the grave will be conducted by Trinity chapter, No. 636, O. E. S.

### SUNDAY SCHOOL UNION.

The Sunday school Graded union held its last meeting for the year Wednesday afternoon at Grace church. Rev. Clyde Darsie made a most helpful and suggestive talk on "How to Prepare Children for Church Membership." Every mother and elementary Sunday school teacher should have heard this address. An interesting discussion closed the program. The union adjourned to meet the last of September.

Beginning tomorrow morning, 25 per cent reduction on high grade millinery, 400 trimmed hats to choose from. See ad on page 5.

## CORN PLANTERS

### The Deere No. 9 Leads the Field

#### WHY?

Because it leads in accuracy—actual accuracy. We demonstrate it. Because it leads in perfect checking, independent of speed of team. Because it leads in easy operation. Instantly changed from hill to drill. Has spring lift. Automatic reel, perfect fast drop, etc. Because it leads in simplicity and strength of construction. Front frame is tied in eight places. Because it leads in substitution of malleables in place of common castings at all vital points. Because it leads in lightness of draft. No strain on the check wire, hence no side draft. Because it leads in ability to successfully plant not only corn, but practically any kind of seed. Because it leads in number sold each year—and this number is every year increasing.

Drop in and get a copy of our booklet, "More Corn—and Better Corn." Contains a lot of boiled down, practical seed corn information.

## "BIG EIGHT" LEADER TO RETIRE IN JUNE

Dr. Johnston, Chairman of Faculty Committee on Athletics, Will Step Aside.

The Indianapolis Star in a recent issue, announces the approaching retirement of Dr. H. W. Johnston, formerly of this city from active participation in "Big Eight" athletic affairs. The Star makes clear the important work Dr. Johnston has done during his sixteen years' connection with the university athletic affairs. The Star said:

"Authentic information, emanating from Chicago friends of Dr. H. W. Johnston, dean of athletics" at Indiana university, is that the state university athletic authority, who is now chairman of the "Big Eight" Western Conference, will retire from all further participation in the control of affairs athletic in the Western organization and at Indiana university, at the state school's commencement period in June. Dr. Johnston also is vice president of the National Intercollegiate Athletic association. For sixteen years he has been the advocate of "progressive" athletics at Indiana university. "While the announcement of Dr. Johnston's retirement from the athletic arena of the Western colleges has not been made public by the Indiana professor, the news, originating from those with whom he has been in constant touch during his administration of the affairs of the state school's athletics, asserts that he already has communicated his intentions to President William Lowe Bryan of Indiana university and that the "still hunt" for a man to fill his place is now in progress at Bloomington.

"Dr. Johnston is the head of the department of Latin at Indiana university. At present he is chairman of the faculty committee on athletics. He has been a member of the committee for sixteen years and has held office as its chairman for more than half that time. No other member of Indiana's faculty, has held such honors for a length of time approaching Dr. Johnston's record.

"It is asserted that Dr. Johnston's reasons for retiring from the athletic activities of the Western Conference and the state institution are his advancing age, the realization of all he has hoped to accomplish in the position and his desire to retire from active participation in local and Western controversies with regard to the management of intercollegiate athletics.

Has Accomplished Much. "As chairman of the Indiana faculty committee on athletics, Dr. Johnston has seen the state school admitted to membership in the Western Conference; has helped to lay out Jordan Field, the state school's athletic field; was one of the five men who borrowed funds to erect the first grandstand on the field; has stopped the calling on citizens of Bloomington and faculty members for contributions to support athletics, and has fought successfully for a purely faculty control of athletics in the university.

"Dr. Johnston's activities while chairman of the state school's athletic board have succeeded in separating intramural and intercollegiate athletics there, thus abolishing the position of director of athletics. He has rigidly enforced the "purity" regulations, although proposing before the Big Eight the scholarship-residence rule for eligibility (the so-called Johnston resolution), to the support of which he has brought four of the Western Conference universities. As chairman of the conference he proposed Ohio State University for membership to the body, and when he presides next June at the last meeting of the conference, which he will attend as Indiana's representative, he probably will see the Big Eight become again the Big Nine.

"Students and faculty members of the state school and alumni all over Indiana and to other states will express the deepest regret to learn of the passing of the state school's central athletic figure. The alumni of the state school will watch with interest for the selection of his successor, knowing that President Bryan has supported the retiring chairman unflinchingly and will want the policies of the present committee continued.

"The other members of the athletic committee at the state school this year are Profs. Weatherly, Hepburn, Smith, Sembower, Monkhaus, Coach James M. Sheldon of the football team and C. P. Hutchins, in charge of intramural athletics at the institution. Profs. Pohlman and Stephenson are acting during the present term for Weatherly and Sheldon, who temporarily are absent from the school. Friends of Dr. Johnston, who have heard of the coming retirement of the athletic authority, will take steps to present some memorial to the chairman in commemoration of his long service at Indiana.

"There will be no formal resignation from the Indiana committee, as all committees at the state school expire by limitation at commencement time."

## As "Ed" Howe Sees Life

Men worship excitement next to money.

Nearly every worthless man frequently says, impressively: "I'll guarantee it!"

Sometimes women are disgusted with husbands, but you can always bet on their loving other men.

After a woman has studied family life from bride to grandmother, and been successful in all the roles, she has an amount of information and experience that would do credit to an elderly judge or bishop.

Men nearly always have some great big task on hand that they can't perform, but which worries them half to death.

A man should be honest and polite for the same reason that he keeps his hand out of the fire.

It nearly always makes a man mad to read a woman's magazine.

Men may not be willing to give women the ballot, but they will promptly give them the life-boats.

Three or four revolutionists are waiting for every political job in the country.

When a woman finds a man she can boss, she nearly always overdoes it.

## WANTED FOUR POUNDS.

**REFORM MOVEMENT AT THE METHODIST GENERAL CONFERENCE.**

By Rev. J. W. Miller

The seventh day of the Methodist general conference at Minneapolis witnessed some very important actions. One of the most gracious scenes was the spirit of cordiality and good will that was shown the delegate from the Methodist Episcopal Church South when he took his departure. Resolutions of loving greeting were passed with instructions that he should bear to his own denomination and these were followed by prayer. Bishop Warren leading, for God's blessing on the progress toward the union of these two great branches of the Methodist church.

This is a poor way to gain weight—George Muller, Jr., of New York City, knows a much better way. He says, "I was pale and thin for a number of years owing to poor blood. Tried several different remedies but without benefit until I came to Vinol. It is certainly the best tonic I ever bought. My appetite has returned, my weight is increasing right along and I feel at least 100 per cent better than I have for a long time."

If you are thin and poor Vinol will increase your weight and give you new strength. Vinol is our delicious cod liver and iron preparation without oil, and is unequalled as a blood renewer and body builder, for all who are weak and run-

down. We guarantee it to please you—if it does not, we give back your money. Lee P. Allcott, druggist, Jacksonville, Ill.

**ANKLE BADLY SPRAINED.** L. J. Stewart of the Sinclair neighborhood is suffering from a badly sprained ankle as the result of a runaway accident. He will be confined to his home for several weeks.

**WEEK END AND SUNDAY EXCURSION.** Commencing with June 1st, the Chicago, Peoria & St. Louis Ry. will sell week-end and Sunday excursion tickets between station on its lines at very low rates for the round trip. Special Sunday train schedule to accommodate excursionists. Splendid outing places with fine picnic grounds, fishing, etc. For further information call on any C. P. & St. L. agent.

## Good for Camp as well as Kitchen

Stewart Edward White, the noted novelist, in his recent book, "The Mountains," gives some advice on page 181 which will interest every housewife. He writes:

"Even if you do not intend to wash dishes, bring along some Gold Dust. It is much simpler in getting at odd corners of oblique kettles than any soap. All you have to do is to boil some of it in that kettle and the utensil is tamed at once."

Most housewives know already the value of Gold Dust for washing dishes and cleansing pots and pans, and, in fact, for all household cleaning.

**Baby's Voice**

Every woman's heart responds to the charm and sweetness of a baby's voice, because nature intended her for motherhood. But even the loving nature of mother shrinks from the ordeal because such a time is usually a period of suffering and danger. Women who use Mother's Friend are saved much discomfort and suffering, and their systems, being thoroughly prepared by this great remedy, are in a healthy condition to meet the time with the least possible suffering and danger. Mother's Friend is recommended only for the relief and comfort of expectant mothers; it is in no sense a remedy for various ills, but its many years of success, and the thousands of endorsements received from women who have used it are a guarantee of the benefit to be derived from its use. This remedy does not accomplish wonders but simply assists nature to perfect its work. Mother's Friend relieves nausea, prevents caking of the breasts, and in every way contributes to strong, healthy motherhood. Mother's Friend is sold at drug stores. APPEALING OLD

Acts as a Bar to Profits' Employment.

You cannot afford to go to jail. On these days of straits, your action is necessary to maintain as long as possible ones youthful appearance.

It is impossible to do this without retaining a luxuriant growth of hair.

The presence of Dandruff indicates the presence of a burrowing germ which lives and thrives on the roots of the hair until it causes total baldness.

Newton's Herpicide is the only known destroyer of this pest, and it is effective as it is delightful to use.

Herpicide makes an elegant hair dressing, as well as Dandruff cure.

Accept no substitutes—there is none. Sold by leading druggists. Send 10c to stamp for sample to the Herpicide Co., Detroit, Mich.

**RED MEN NOTES.**

Members of Delaware Tribe have made special arrangements to have a special train over the Wabash on the evening of the 21st, at which time the Great Council meets in Springfield. The time for leaving and returning has not yet been determined. A large number have already signified their intentions of going and a class of pale faces will be taken along to be part of the big class to be initiated.

"The Illinois Red Man," in speaking of the recent work put on by Delaware Tribe in Chicago, has the following to say: "It is useless to describe the work put on by Delaware Tribe of Jacksonville. Without disturbing their paraphernalia in their wigwam had brought to Chicago about \$600 worth of paraphernalia and electric mechanical effects. It was one of the grandest sights ever seen and the impressions those candidates received will never be forgotten. Not only were the working paraphernalia great, but each member of the team was a star actor and the interpretation they gave to the ritualistic work was the finest we have ever seen, and was cheered to the echo, by the large number present.

To compliment one member of the team, more than another would be doing an injustice, for all had a part to do and right well did they do their part. There was not one bad one in the whole lot and even the property man and the electrician have a great part to do and they did it. If ever the work can be done perfectly they can do it. Too much praise cannot be given and if any brothers enjoy a play at an opera house, or something better, they should not miss the opportunity to see this team put on the work as it should be.

**THE PUBLIC LIBRARY.**

The work of the public library during the past month is to some extent indicated by the following report of circulation made by Miss Webber:

New cards issued: To adults, 105; to children, 20. Of this number 54 were new borrowers.
